To Whom It May Concern,

It's my pleasure to recommend our Former Track & Field Program Coordinator, Jaydian J. Miller. As Founder and President of Elite Greyhounds, Inc., I've known Jaydian since May of 2017 and can attest to his strength of character and compassion for others in our community. He would make an outstanding addition to any organization and provide a great service to others.

Jaydian has always amazed me with his commitment to our community. Since May 2017, Jaydian has always been great at juggling multiple projects such as:

- Directed and supervised program activities to meet Elite Greyhounds, Inc. objectives. Expanded youth sports program within the community in accordance with strategic and operating plans.
- Secured, scheduled, and prepared athletic fields and facilities. Transported and set up equipment for meets and practices; monitored and purchased necessary sporting equipment as budget permitted.
- Developed and distributed team practice and competition schedules.
- Purchased and distributed team uniforms and awards; coordinated and distributes team photographs.
- Assisted in the marketing and distribution of the track & field program information.
- Developed and maintained collaborative relationships with community organizations.
- Assisted in Elite Greyhounds, Inc. fund raising activities and special events.
- Responded to all member and community inquiries and complaints in timely manner.
- Compiled program statistics. Monitored and evaluated the effectiveness of and participation.

With his spirit of giving and skill for community organizing, Jaydian lived by Elite Greyhounds, Inc.'s primary motto, "Restoring the culture of our youth." With patience and an ability to explain and demonstrate strategy clearly, he drew out the very best from our track & field team, who, in turn, qualified a total of 6 athlete's to USATF Regional Track Meet in Jacksonville, FL.

On a more personal level, Jaydian was a cherished colleague and an all-around genuine person. He's dependable, hardworking, and honest. Jaydian worked tirelessly to get where he is today and he truly deserves all the success that has come his way as a Track & Field Program Coordinator and Coach. I look forward to seeing all the good that he will continue to do in the future. Please feel free to contact me for any further information. Thank you for your consideration.

Sincerely,

Ontavious McCullough
